

JobsLA.org is an online resource for job seekers and employers throughout the Los Angeles region. Job seekers can search job postings from thousands of employers in the Los Angeles region. Each day new, unduplicated postings are added; these are drawn from all over the Internet, including the web sites of private corporations, state job boards, local newspapers, recruiters, hospitals, government agencies and more.

Special features:

- JobsLA is **Spanish-language friendly** with the capability for any user to switch from English to Spanish or vice versa, at the click of a button.
- **Smart-phone users** can search all job listings by using a **JobsLA mobile phone app** that can be downloaded through the iTunes Store for Apple devices and Google Play for Android devices.

In addition to being the most comprehensive online job board and job search engine for Los Angeles, JobsLA provides additional tools including:

Tools for Job Seekers:

- **Highly targeted job search capabilities** to focus job options based on needs including: occupation, industry, skills, salary, employer name, and more
- **A virtual recruiting tool** that notifies when new job postings matches your skills
- **Career tools** to assess skills and job interests, and access information about the Los Angeles labor market
- **Comprehensive information** about training and employment opportunities to improve job skills
- **Resume and cover letter building tools** that provide simple step-by-step instructions to create professionally formatted documents

Tools for Employers:

- A **free** job posting board where you can advertise job openings to a wide online candidate pool
- **Targeted resume search capabilities** to quickly locate the most qualified candidates
- **An easy-to-use tracking system** to manage job openings and track candidates
